

Distribution Box Processing and Customization Manufacturer

Overview

Leading db box manufacturer specializing in custom electrical distribution boxes and panels. Expert engineering, quality manufacturing, and regulatory compliance for residential, commercial, and industrial applications. Submit your requirements or design draft to us, and we'll provide a free design and deliver a high-quality prototype in just 15 days - ensuring your project stays on schedule with speed and precision. Choosing custom power distribution boxes from J&HW Group ensures cost efficiency through in-house. In addition to our myriad of enclosure products, we can offer you Enclosure Build Kits which can include the Enclosure, PCB Assembly, Wiring, Keypads & Components right up to a full Turnkey Box-Build. Customers today not only care about the performance of the electrical panel but also the manufacturing process that ensures quality, safety, and durability. From prototype to mass production, we support OEM metal enclosure customization with drawings.
