

How much does fiber-to-the-switch cost

Overview

It offers speeds of between 36Mb and 900Mb and costs £31/mth-£56/mth. While it means you can get connected straight away, if you're unhappy with the service, or want a cheaper price, you won't be able to switch away from it. In time, as the national network expands, new networks may be installed on. According to Ofcom, the fibre broadband providers with the most satisfied customers include BT, EE, Sky and Plusnet, scoring between 82 and 89% for 'satisfaction with overall service.' ^ However, the most important thing is to find the broadband deal that best suits you and your household. We show monthly price, setup cost, contract length, speed, and key price-rise terms so you can compare like for like before you switch. Check their terms before signing up. Add your address and we'll instantly show you the deals available in your area. Follow the link to the broadband provider's site and sign. Pre-register to be notified when service is available, PLUS get an exclusive offer when you sign up - FREE Wall-to-Wall WiFi for 12 months (a \$120 value).
