

Huawei 1 Fiber Optic 8 Ethernet Switch

Overview

Stackable 1U Ethernet switch from Huawei. With 48x 25Gbit/8x 100Gbit ports, redundant power supply and fan, back-to-front airflow (port-side exhaust) and SDN-ready. Huawei's comprehensive portfolio of products and solutions enables you to realize smooth digital transformation and rapid growth of virtualization, Big Data, and cloud services. Huawei switches already help customers achieve success in industries such as finance, Internet, retail, education. Fiber optic patch cable OM3 multimode duplex LC/LC 2m Pcs. Fibre optic cable multimode (MPO, 5 m) Do you need optical fibers in a different length?

We are happy to help you, please contact our. Huawei CloudEngine 8800 series (CE8800) switches are 100G Ethernet switches designed for data centers and high-end campus networks. The switches provide high-performance, high-density 100 GE/40 GE/25 GE/10 GE ports, and low latency. It comes in different variants designed to meet diverse user requirements. Administrators can configure, monitor, and optimize the. Langzhi China is a professional FTTH equipment manufacturer specializing in GPON/EPON OLT, ONU/ONT, and SFP modules compatible with Huawei & ZTE. Factory-direct pricing, global shipping, OEM/ODM available. Based on Huawei's unified software platform and powered by high-performance programmable chips, the switches support advanced features such as application identification.
