

Standard network rack cabling prices

Overview

Professional network cabling in 2026 typically costs \$150-\$250 per commercial Cat6 drop, \$200-\$350+ per harder Cat6A commercial drop, and \$200-\$400 for isolated finished-wall additions where minimum service-call labor dominates. Open-wall pre-wire lowers the per-drop cost. Finished-wall retrofits. Need to budget the data cabling installation costs for your facility?

Don't know where or how to obtain a full network cabling installation pricing assessment?

Then try out our simple Structured Cabling Cost Calculator! Just by answering a few simple questions, our structured cabling cost estimate. The short answer: it depends on eight key factors. The long answer, plus actual price ranges and money-saving tips, is below. If a structured cabling quote feels confusing, it helps to break the cost into three clear areas. This makes it easier to compare bids and understand where your budget is. Excel Networking is a world-class premium performance end-to-end infrastructure solution – designed, manufactured, supported and delivered – without compromise. 100% Plastic Free Packaging, FSC Certification, EcoVadis Verified.
